

# *New Life Pregnancy Resource Center*

## **Free Gift for New Parents!**

Due to COVID-19 regulations, we have had to suspend our distribution of layette gift bags to the hospital, so we would like to notify you that this offering is available at our Center every Monday, Wednesday, and Friday from 10 am - 4 pm.

The gift bag contains clothing, blankets, bath towel, wash cloth, burp cloths, and other miscellaneous newborn baby goods (also available for preemie babies)!

We also offer free parenting classes and additional baby supplies to support your family.
